Veteran Dog

- **Dogs must enter the Veteran Division after their 9th birthday. Dogs in this division are given the allocated Veteran course times.**
- **After their 12th birthday dogs must enter the Skilled Category, Veteran Division.**

Intro Classes: The Intro level will be a shorter course than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves in them. The Intro level will have no tunnel/contact discriminations.

The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points (100 points for Regular) and Superior Performance at 100 points (200 points for Regular).

In Intro, dogs may jump any jump height lower than their regulation height. **Dogs may NOT jump higher than their regulation height, and the Maximum Jump height for intro is 16".**

You do NOT have to start in Intro, you can start your dog's NADAC career in Novice!

DOUBLE RUN FORMAT

We will run the same course twice.

For example: Elite Jumpers would walk, then run Round 1, then automatically go into Elite Round 2, running the same course. We then build Open, walk through, then run, then go into Open Round 2 running the same course. And so on, with Novice and Intro.

There will be an option for a 4 minute break between rounds
